ABOUT US

Elysium Tennis is the premier tennis club in the central Ohio area. We have an exceptional facility with expert and caring staff. In addition to our tennis programs, we also offer platform tennis and pickleball. From beginners to high-end competitors, we offer the perfect place to play and are teaming up with the perfect cause.

One in eight women in the U.S. will be impacted by breast cancer in their lifetime. We know some of these women are part of the Elysium Tennis Family. This is why we are hosting a significant event to raise funds and support the **Susan G. Komen Foundation's vision of a world without breast cancer.**

Your participation can make a real difference in this fight! You are invited to **Dink in Pink for the Cure.** Please join our team!
